

RESOLUTION OF COMMENDATION 18-1

WHEREAS Lisa Ivshin has recently retired from distinguished service as Executive Director of the Mississippi Oil and Gas Board, and

WHEREAS she continuously served with a dedication to public service as Executive Director, and

WHEREAS she worked tirelessly on behalf of both the citizens of Mississippi and to assist in the safe and effective production of the State's oil and gas resources, and

WHEREAS she advocated for, and promoted, environmentally sound practices that were protective of the States ground water resources, and

WHEREAS she fully supported the Ground Water Protection Council's (GWPC) Risk Based Data Management System (RBDMS) and Frac Focus through Board staff and financial resources, and

WHEREAS she faithfully supported the Oil and Gas Board's membership in the Ground Water Protection Council, now

THEREFORE BE IT RESOLVED, the Ground Water Protection Council Board of Directors does hereby recognize her many accomplishments as Executive Director of the Mississippi Oil and Gas Board and gives her a heartfelt Thank You for her support of the GWPC and RBDMS.

Marty Link, GWPC President

ATTEST: Mike Paque, Secretary

A handwritten signature in black ink, appearing to read "Mike Paque".

Dedicated to protecting our nation's groundwater
