- Earning/sustaining public confidence
- Establishing agency credibility
- Maintaining cooperative relationships

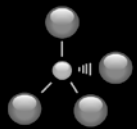

**STRAY GAS**

Incidence & Response Forum

# Charge to Participants

- Is there a need for more research on this topic?
- What factors should be considered when designing useful research?
- Is there a standard or protocol that we can agree on?

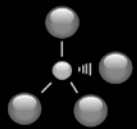

**STRAY GAS**

Incidence & Response Forum

# Charge to Participants

- If not, who is drafting protocols for consideration?
- How can an existing standard be enhanced?
- Is there something we are missing regarding this issue/topic?

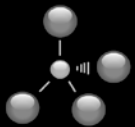

**STRAY GAS**

Incidence & Response Forum

# GSI, Inc. Grant

SEP 3 2004

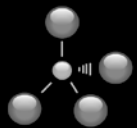

**STRAY GAS**

Incidence & Response Forum
