

# PLANNING FOR ASR IN OKLAHOMA

Oklahoma ASR Workgroup  
GWPC – 2017 Annual UIC Conference

# Why ASR?

- Driven by drought
- Water security
- Portfolio of options

# ASR Workgroup

- DEQ
- Water Resources Board
- Corporation Commission
- Dept of Agriculture
- Ok Geological Survey
- U.S. Geological Survey
- Office of the Secretary of Energy and Environment
- GWPC
- Burns & McDonnell
- Carollo Engineers
- City of Ada
- Oklahoma State Legislature

# ASR Milestones

- Water rights
- Groundwater standards / anti-deg
- Implementation and timeframe

# Reinventing the wheel...

- Survey of other states
- Operational / permitting standards

A photograph of Donald Trump at a red carpet event. He is wearing a dark suit, a white striped shirt, and a purple tie. He has a slight smile and is looking towards the camera. The background is dark with large, illuminated gold letters, likely part of a movie title. A semi-transparent black box is overlaid on the image, containing white text and a Twitter icon. A red banner is at the bottom of the image with white text. A small credit line is in the bottom right corner.

**“Oklahoma's ASR Workgroup is very powerful, very strong. I'd let Oklahoma's ASR Workgroup handle it. This is peanuts for Oklahoma's ASR Workgroup !”** 

**THIS FEELS NICE. AGAIN!**
