

RESOLUTION

THE GWPC RECOGNIZES SEPTEMBER 16-20 AS SEPTICSMART WEEK

WHEREAS, proper septic system use and routine care are vital to protecting public health, preserving our highly valued groundwater and surface water, and avoiding costly repairs that can result from neglect; and

WHEREAS, more than one in five households nationwide depend on septic systems to treat wastewater from homes and businesses; and

WHEREAS, public health and the environment benefit from properly designed, installed, operated and maintained septic systems; and

WHEREAS, the U.S. Environmental Protection Agency's SepticSmart program educates homeowners about the need for proper septic system use and maintenance; and

NOW THEREFORE BET IT RESOLVED that the Groundwater Protection Council does hereby recognize the week of September 16-20, 2019 as SepticSmart Week and we urge all the people to join us in this special observance.
