

Workgroup Accomplishments

| Start Date | Completion | Task/Milestones |
|--------------------|---------------|--|
| Sept. 15, 2019 | Sept 15, 2019 | <p><i>ASR-MAR Workgroup Established</i></p> <p>The GWPC Board of Directors at the 2019 Annual Forum told the Executive Director to form a workgroup to examine Aquifer Storage and Recovery (ASR) and Managed Aquifer Recharge (MAR) issues.</p> <ol style="list-style-type: none"> 1. Overall goal is to examine, discuss, and make recommendations to the GWPC Board of Directors regarding Aquifer Storage and Recovery (ASR) and Managed Aquifer Recharge (MAR) issues or topics. 2. The Workgroup may also serve as a forum for Federal, State, Tribal, and local government, organizations and public interest, and professional organizations to exchange information, views, and ideas, and to communicate and collaborate on efforts concerning ASR and MAR issues or topics. |
| October 2019 | Dec. 16, 2019 | <p><i>National Water Reuse Action Plan</i></p> <p>Draft National Water Reuse Action Plan was reviewed, and comments were submitted to EPA from GWPC. In part, the comments discussed the ASR-MAR Workgroup.</p> |
| Feb. 27, 2020 | Ongoing | <p>The final version of the EPA WRAP released in 02/27/2002 identified the GWPC and the Workgroup, under Action 7.4. as the leader of the task to increase understanding of current aquifer storage and recovery practices. The Workgroup was tasked with facilitating meetings to study and find solutions to the challenges currently limiting the use of Enhanced Aquifer Recharge (EAR) and ASR-MAR. Ongoing updates of the Workgroup are reported monthly.</p> |
| September 20, 2019 | Feb. 3, 2020 | <p><i>Workgroup Charter</i></p> <p>Developed and finalized a governance charter for Workgroup, which included statements of purpose, scope, applicability, functions, membership, meetings, and procedures. Charter also provided for 3 co-chairs representing state government, federal government, and practitioners. Charter is available on ASR-MAR Workgroup page.</p> |

|--------------|---------------------|---|
| October 2019 | Feb. 12, 2020 | <p><i>Workgroup Established</i></p> <p>Co-chairs recruited (details on members available on ASR-MAR Workgroup website). Planning began for 1st full Workgroup meeting at the UIC meeting, website established. Co-Chairs requested that GWPC also recruit additional representatives to form a Leadership core.</p> |
| October 2019 | Feb. 17-18, 2020 | <p><i>Full Workgroup Meeting</i></p> <p>1st full Workgroup meeting took place at the San Antonio Annual Forum. Sessions and Field Trip focused on ASR and ASR-MAR. Announcement of Self Nominations opportunity for Leadership Team was made at meeting.</p> |
| Feb. 2020 | June 30, 2020 | <p><i>Leadership Team</i></p> <p>After announcing that the Workgroup as looking for additional leadership members from 3 different categories and that nominations were open to all. Members were recruited, evaluated, selected, and notified of their selection. Announcement is available upon request and was also sent out in the GWPC Communique twice and was on the banner on the GWPC website front page.</p> <p>The first meeting of the Co-Chairs and Leadership Team was held on July 30, 2020. Future meeting frequency should be about every 2 months. Co-Chairs met on September 18, 2020.</p> |
| July 2020 | Ongoing | |
| April 2020 | Late September 2020 | <p><i>ASR-MAR Workgroup Workplan</i></p> <p>Workplan has been developed and is considered a living document that is subject to revision. Topical areas that will be addressed by the Workgroup have been identified by the Co-chairs and were reviewed by the Leadership Team. Topics will be prioritized and updated as needed. Current version of the workplan was presented to the GWPC Board on September 28, 2020.</p> |
| May 2020 | August 6, 2020 | <p><i>Virtual Workgroup Training</i></p> <p>1st virtual Workgroup Webinar was conceived, planned, and held with over 254 attendees. Topic was ASR in Florida. Slides and recorded presentation available on ASR-MAR Workgroup website. Goal it to hold a full Workgroup meeting once a quarter that will have both discussion of one of the issues identified in the workplan or a State Spotlight and will provide free continuing education opportunities for all who attend.</p> |
| March 2020 | September 29, 2020 | <p><i>Workgroup Sessions at Meetings</i></p> <p>Virtual Technical session for Workgroup held at the GWPC Annual Groundwater Forum as part of a technical session on Aquifer Storage & Recovery, Managed Aquifer Recharge, and Enhanced Aquifer Recharge during the 2020 Virtual Annual Forum. The session included an overview of the ASR-MAR Workgroup and its activities. 157 attendees.</p> |
